Instructions for Completing the Notice/Certification Form & for Performing Public Notice for Tier 3 Monitoring Violations

1. Complete **ALL** the missing information on the “Notice to the Public.” (Note: Under the section of the notice entitled “What is being done?” describe corrective actions you took, or are taking. You may choose the appropriate language below, or develop your own:

- We have since taken the required samples, as described in the last column of the table above. The sample results showed we are meeting drinking water standards.
- We have since taken the required samples, as described in the last column of the table above. The sample for [contaminant] exceeded the limit. [Describe corrective action; use information from public notice prepared for violating the limit.]
- We plan to take the required samples soon, as described in the last column of the table above.

2. Provide public notification to your customers as soon as reasonably possible after you learn of the violation as follows:

Community systems must use one of the following:

- Hand or direct delivery
- Mail, as a separate notice or included with the bill

For community systems, this notice is appropriate for insertion in an annual notice or the Consumer Confidence Report (CCR), as long as public notification timing and delivery requirements are met [CFR 141.204(d)].

Non-community systems must use one of the following:

- Posting in conspicuous locations
- Hand delivery
- Mail

For non-community systems, if you post the notice, it must remain posted as long as the violation or situation persists; in no case should the notice be posted less than 7 days, even if the violation is resolved. [CFR 141.204(b)].

(Note: **Both** community and non-community systems must use *another* method reasonably calculated to reach others **IF** they would not be reached by one of the required methods listed above [CFR 141.204(c)]. Such methods could include newspapers, email, or delivery to community organizations.

- **Both sides of this public notice/certification MUST be delivered to the persons served by the water system** in order for your customers to have access to the required **Contaminant Group List**.
 - If you mail, post, or hand deliver, print your notice on letterhead, if available.
 - Notify new billing customers or units prior to or at the time their service begins.
 - Provide multi-lingual notifications if 30% of the residents served are non-English speaking.
 - Should you decide not to use this notice and develop your own version instead, the mandatory language in **bold italics** may not be altered, and you **MUST** include the ten required elements listed in CFR 141.205. The certification located at the bottom of this sample notice **MUST** also be submitted.
3. After issuing the “Notice to the Public” to your customers, **sign and date** the “Public Notification Certification” at the bottom of the notice. Within **ten days** after issuing the notice [CFR 141.31(d)], email the completed Public Notice/Certification form to PWSS.PN@ncdenr.gov or mail to the Public Water Supply Section, ATTN: Public Notification Rule Manager, 1634 Mail Service Center, Raleigh, NC 27699-1634 or use our new on-line ECERT application located on our website at: <https://pws.ncwater.org/ECERT> . Keep a copy for your files.
